SOME GOOD WORDS FOR W. D. FORSTER

W. D. Forster of Tonopah, who succeeded J. H. Hedden as general freight and passenger agent of the Tonopah and Goldfield road, has been promoted to the position of traffic manager of the road, the appointment having been made a few days ago at the general office of the company at Philadelphia, to take effect today.

Forster is recognized by railroad men as being the most efficient officer of the Tonopah and Goldfield. Combined with his thorough knowledge of railroading is a pleasant and obliging air of good fellowship which makes the duties of his office a pleasure to all who have business with the main office at Tonopah. Since he assumed charge of the affairs of the Tonopah and Goldfield road his management has resulted in the business relations of his company and the Harriman line getting on a much more agreeable and firmer basis which has resulted in great benefit for the shippers and business men at Tonopah.

Forster has made a host of friends since receiving the appointment at Tonopah and the news of his promotion will be received with satisfaction by all who know him or have had occasion to engage in business transactions with him.—Reno Gazette.

WOLGAST-WEEKS FIGHT POSTPONED

(Special to the Bonanza.)
LOS ANGELES, Oct. 17.—The twenty round scrap between Freddie Weeks and Ad Wolgast, which was to have come off today was postponed on account of the inclement weather. The arena in which the fight was scheduled is an open air one and when the time for the scrap to take place drew around it was raining, and consequently the mill had to be postponed. The ringside betting was 10 to 6 in favor of Wolgast. The winner of the fight stands a good chance of getting a match with Abe Attell or Moran. The fight will be held Monday afternoon.

SNOWED HEAVILY AT GOLDFIELD

Advices received from Goldfield last night state that snow fell there all day yesterday and when it cleared up last evening there was about six inches of the beautiful on the ground. It is expected that the premature arrival of the snow will work a little hardship on the prospectors who are out in the hills doing assessment work, as few of them are prepared for the cold weather.

NEW CARD AT THE BUTLER A WINNER

The new musical comedy, "A Trip to Spain," as shown at the Butler last evening, was certainly a success and nearly every line had a laugh in it. William Murphy, as King de Monk, is great, and his song, "My Brudder Sylvest," is one of the best heard in Tonopah for many days. The chorus was good and the songs and dances were appreciated by the audience, for the girls were called back several times with each number. Miss Manning and Miss Hathaway both rendered late songs and were well received by the audience.
